

TONNY KAKUMU MUTEA

IT Specialist

Tel: +254798121497 | tonnymutea7@gmail.com | Portfolio Link: <https://tonnie26348.github.io/Tonny-portfolio/index.html>

PROFILE SUMMARY

Passionate and innovative Applied Computer Technology student at USIU-Africa, currently in sophomore year, with a strong focus on building real-world digital solutions. Experienced in developing scalable platforms across sectors including domestic work, agriculture, healthcare, and education systems. Skilled in full-stack development, database systems, and problem-solving, with a proven ability to transform ideas into impactful, user-centered applications. Actively building projects that address real challenges in Kenya through technology, trust, and efficiency.

EXPERTISE

IT Support | Networking | Software Development | Web Development | Databases | System Design | Troubleshooting | Project Management | Problem Solving

TECHNICAL SKILLS

- **IT Support & System Administration:** Experience troubleshooting hardware, software, and network-related issues (TSC attachment).
- **Networking & System Maintenance:** Hands-on experience setting up and maintaining IT networks.
- **Software Development:** Skilled in Java, Python and C++, with experience in system design, development, and testing.
- **Web Development:** HTML, CSS, JavaScript, and modern responsive design principles.
- **Database Management:** Proficient in PostgreSQL and SQL Server.
- **Project Development:** Experience building real-world systems across multiple industries.
- **Project Management & Problem-Solving:** Strong ability to plan, execute, and manage technical projects effectively.
- **Communication & Adaptability:** Works well under pressure and quickly learns new technologies.

PROFESSIONAL EXPERIENCE

Teachers Service Commission (TSC) – IT Attachment

- Provided IT support, troubleshooting hardware and software issues
 - Assisted in network maintenance and security implementation
 - Gained experience in database management and system administration
-

ACCOMPLISHMENTS

- Recognized by management for proactive problem-solving and efficiency-driven initiatives at TSC
- Successfully developed multiple functional systems addressing real-world challenges
- Demonstrated ability to apply technical skills to impactful solutions across industries

EDUCATION

Bachelor of Science in Applied Computer Technology (Ongoing)

USIU-Africa, Nairobi, Kenya

Currently in Sophomore Year

Diploma in Information Technology

KCA University, Nairobi, Kenya

2023-2025

CERTIFICATIONS

- Cisco Networking Academy – Introduction to Cybersecurity
- Cisco Networking Academy – Junior Cybersecurity Analyst Career Path

(Certificates available upon request)
